**The Kenya Committee** wishes to thank the congregation of St. James'~Rosemount United Church for their ongoing support of the Kenya Education Project for high school and technical school students in Ugunja. For 2016 the total contribution from St. James was just over \$13000.00. We have two new sponsors for the high school program giving us a total of eight students being sponsored. We are supporting nine students at the Nyasanda Technical Institute, three in year one and six in year two. Some of your contribution goes to partial sponsorship to help those who can contribute some but not all of the high school costs.

**Book Nook:** **The Friends of Jesus**, written by *Karen Kingsbury*. She is a favorite author of many.

This Bible story will give you a deeper understanding of the friends of Jesus as you learn what the Bible has to say about these fascinating relationships. On display, borrow for 3 weeks.

## Helpers For Our “Angels”

We have 37 “angels” registered in our Nursery and Sunday School classes - and we’re growing! We need your help: Please take a look at the sheets on the table and sign up for a Sunday or a series of Sundays. It’s an easy way to get to know our “angels”. You’ll be glad you did... and so will we!

## World Day of Prayer

is a worldwide movement which started in the USA in 1887 quickly spread around the world. Today it is celebrated on the first Friday in March in over 170 countries, including 3,500+ communities across Canada. Through this Day of Prayer, we affirm our faith in Jesus Christ and engage with the whole world; are enriched by the faith experience of other countries and cultures; share the burdens of other people, praying with them and for them; and use our own talents in the service of God’s world. Each year the prayer service is prepared by a committee of women from a different country. This year the service was prepared by the Women of Cuba.
